

# NOW YOU CAN MANAGE YOUR DEBIT CARDS DIRECTLY FROM YOUR MOBILE BANKING APP

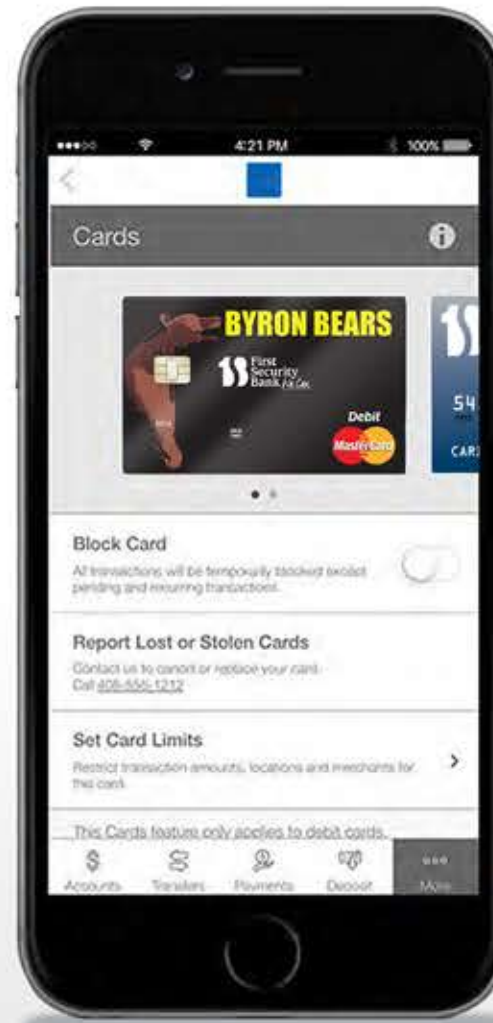

**Getting Started:** You can set limits on your spending, report a lost or stolen card, customize where your card can be used and so much more!

Users can access these options from the More menu or from the Manage My Cards option on the account screen.

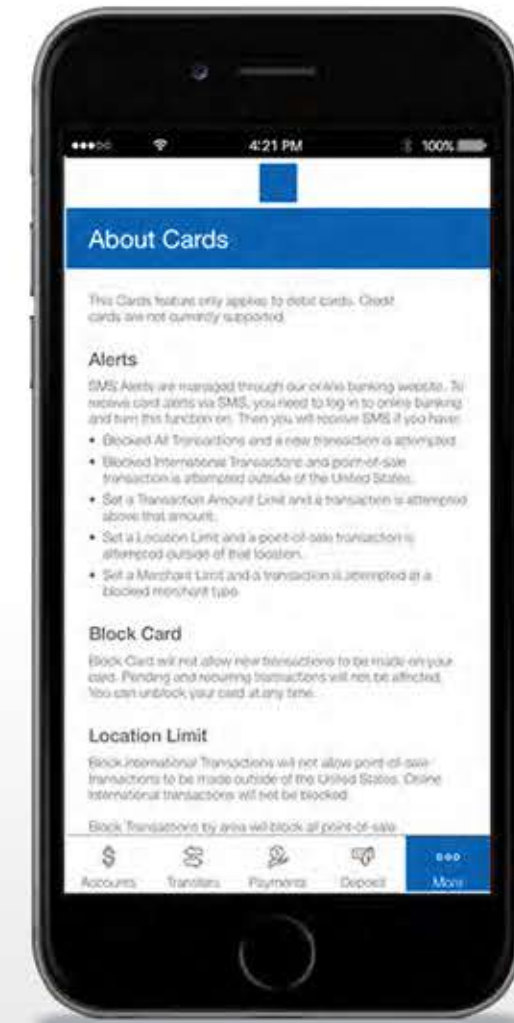

Users can easily get answers to their card control questions by tapping the **i** icon at the top of the Cards screen. Debit cards tied to the accounts the user has access to in the app will automatically load into the carousel to locate the card that the wish to manage.

Users can find information about each type of card limit as well as how to enable alerts for transactions that decline due to limits set.

*\*Please note FSB has a preset limit of \$1,000 for purchases. If you need to have this increased please call 507-775-2316. You may decrease your limit at anytime through the app.*

Want to receive alerts when your card is used? Give us a call, and we will set you up. If you have any questions, call First Security Bank at 507-775-2316.
