

FIRST SECURITY BANK DONATION & SPONSORSHIP REQUEST FORM

First Security Bank (FSB) is a proud community bank, rooted in Byron, Minnesota, and dedicated to serving the people and neighborhoods that have supported us for more than a century. We believe in giving back to the communities that help us thrive and are committed to supporting organizations that strengthen our region and improve the quality of life for those who call it home.

Our funding priorities focus on programs that promote financial education and enhance the overall quality of life in our local communities. We also give thoughtful consideration to organizations and individuals that maintain banking relationships with First Security Bank.

While we would like to support every worthy cause, available funds are limited. Submitting a request does not guarantee funding. Any application that is incomplete at the time of submission may be denied.

Please do not include confidential or sensitive information in this form. An FSB representative will contact you if additional information is needed.
